KaeRaePro@gmail.com  
IG @KaeRaeProductions

Motivated design student with a passion in pattern making, sustainability and 3D printing. With my experience in Clo3D and 3D printing I am hoping to give new perspectives on what it means to be sustainable and push the limits of construction.

### Experience

2024 – Current

Student Leader Campus life

Create in-person events for the student body to enrich their college experience.

2024 – Current

Peer Mentor Academy of Art University

Support the student body at AAU. Create online events for students.

Host study halls to help the students with classwork.
